Curriculum Vitae

Name: Vladimir Vasiljevich GULBIN

Employment addres: Institute of Marine Biology, Far Eastern Branch of the Russian Academy of Sciences, 17, Palchevskogo Str., Vladivostok 690041, Russia Phone: 007 (4232)-311-182, Fax: 007 (4232)-310-900, E-mail: inmarbio@mail.primorye.ru, home E-mail: vlgulbin@yandex.ru

Date and place of birth: Nov. 24, 1949, Vladivostok, USSR

Nationality: Russian

Marital status and children: married, one son

Education: Department of Biology, Far Eastern State University, 1966 – 1971

Scientific degrees and ranks: M. S., 1971, Far Eastern State University, Diploma work: The gastropods mollusks of the upper shelf of middle Kurile Islands (Urup and Simushir). Ph. D., -1977, Institute of Marine Biology, Far Eastern Branch of the Russian Academy of Sciences, Thesis: The fauna of the Prosobranch Gastropods from the shelf of Kurile Islands and their distribution.

Professional employment history: 1968 – 70 — Summer Fellow; 1971 – 73 — Research Assistant; 1973 – 78 — Junior Scientist; 1978—present — Senior

Scientist, A.V. Zhirmunsky Institute of Marine Biology, Far Eastern Branch of the Russian Academy of Sciences, Vladivostok.

Scientific fields: Systematics, ecology and biogeography of marine gastropod mollusks, marine hydrobiology.

Participation in scientific expeditions: In all 25 expedition to the North and West Pacific and Indian Ocean.

Memberships: Hydrobiological Society of Russia, Russian Malacological Society, Far Eastern Malacological Society.

Editorial: Editor of 6 books on zoology and hydrobiology, Executive Editor-in-Chief of journal «Biologiya Morya» [Russian Journal of Marine Biology, Vladivostok], Member of Editorial Board of «Russian Malacological journal "Ruthenica"», Moscow and «The Bulletin of the Russian Far East Malacologgical Society», Vladivostok.

Author and co-author of 90 scientific papers.

The main malacological papers

Gulbin V.V. 1975. Distribution and biogeographical composition of gastropods in the upper shelf of middle Kurile Islands (Urup and Simushir) // The Soviet Journal of Marine Biology. V. 1, N 4. P. 274-277.

Golikov A.N**., Gulbin V.V.** 1977. Prosobranchial Gastropods of the Kurile Islands . 2. Orders Hamiglossa - Homoestropha II Fauna of the coastal zone of the Kurile Islands. Moscow: Nauka. P. 172-268. [In Russian with English abstract].

Golikov A.N**., Gulbin V.V**. 1978. Prosobranch gastropods of the Kurile Islands. 1. Orders Docoglossa - Entomostoma II Fauna and vegetation of the shelf of the Kurile Islands. Moscow: Nauka. P. 159-223. [In Russian with English abstract].

Gulbin V.V. 1979. A new species of the littoral gastropod Rissoellidae from the Far-eastern seas // The Soviet Journal of Marine Biology. V. 1, N 4. P. 239-240.

Gulbin V. V. 1979. Distribution of the Prosobranch Gastropods in Kurile Islands shelf // Biology of the Kurile Islands shelf. Moscow: Nauka. P. 209-221. [In Russian with English abstract].

Gulbin V.V. 1980. Fauna and ecology of gastropod mollusks of the North of Japan sea intertidal // Coastal plankton and benthos of the Sea of Japan north part. Vladivostok: Far East Branch of the USSR Academy of Sciences. P. 93-105. [In Russian with English abstract].

Gulbin V.V. 1981. Gastropod molluscs of the Sakhalin's intertidal // Taxonomy and chorology benthos invertebrate of the Far East seas. Vladivostok: Far East Branch of the USSR Academy of Sciences. P. 52-74. [In Russian with English abstract].

Gulbin V.V. 1982. *Eumetula striata*, a new shelf gastropod from the Commander Islands (Bering Sea) // Biologiya Morya [Marine Biology, Vladivostok]. N 3. P. 70-71. [In Russian with English abstract].

Gulbin V.V. 1983. New species of the gastropod genus Astiris (Hamiglossa, Anachidae) from the Commander Islands // Zoologichesky Zhurnal [Zoological Journal]. V. 62. N 10. P. 1575-1577. [In Russian with English abstract].

Gulbin V.V., Rudenko AS., Malutina M.V. 1985. Distribution of gastropods in western Sakhalin shelf // The Soviet Journal of Marine Biology V. 11, N 2. P. 63-68.

Golikov A.N., **Gulbin V.V**., Sirenko B.I. 1987. Prosobranch gastropods in shelf of the Moneron Island (Sea of Japan). I. Orders Patelliformes -Calyptraeiformes // Fauna and distribution of Molluscs: North Pacific and Polar Basin. Vladivostok: Far East Branch of the USSR Academy of Sciences. P. 22-40. [In Russian].

Golikov A.M., **Gulbin V.V**., Sirenko B.I. 1987. Prosobranch Gastropods in shelf of the Moneron Island (Sea of Japan). II. Orders Naticiformes -Eulimiformes // Fauna and distribution of Molluscs: North Pacific and Polar Basin. Vladivostok: Far East Branch of the USSR Academy of Sciences. P. 41-56. [In Russian].

Gulbin V.V., Tran Dinh Nam. 1989. Prosobranch gastropod molluscs from the intertidal zone of Phukhanh Province (sourthen Vietnam) // Biology of the coastal waters of Vietnam: Benthic invertebrates of sourthen Vietnam. Vladivostok: Far East Branch of the USSR Academy of Sciences. P. 7-24. [In Russian with English abstract].

Golikov A.N., **Gulbin V.V**. 1990. On the system of the family Velutinidae Gray, 1842 (Gastropoda) // Transactions of the Zoological Institute [Trudy Zoologichiskogo Instituta Akademii nauk SSSR, Leningrad]. V. 218. P. 105-129. [In Russian with English abstract].
